The Islamic Society of Central Jersey (ISCJ) expresses its condolences for all those in Boston and with the families and loved ones of the three victims and over 100 innocent bystanders injured from the explosions. The ISCJ condemns this terrorist attack. This was a horrific crime and this was an attack on all of humanity and our prayers continue to be with the victims and their loved ones.

We also applaud and give thanks to law enforcement officials and first responders who heroically aided the victims.

We must remain vigilant against terrorists. We speak as Muslims, as Americans and as human beings who are committed to peace and democracy.
