Egyptian and Libyan Attacks September 2012

The Islamic Society of Central Jersey (ISCJ) condemns the killings of the U.S. ambassador to Libya and three other diplomats and the attack on the American embassy in Egypt. We pray for the families and friends of the victims.

The ISCJ also rebukes any individual or group that espouses hate and has a goal of insulting a fellow American's faith and beliefs. The ISCJ believes in mutual respect and understanding of all faiths.

The Islamic Society of Central Jersey categorically condemns all acts of terrorism --- the killing of innocent life and destruction as these acts are in total violation of Islamic values.

We pray for peace and healing.
